Chancellor's Office Approval Required for WASC Substantive Change Proposals

Procedure

Programs that meet the criteria requiring WASC Substantive Change approval are expected to submit a copy (in either electronic or hard copy format) of the WASC Substantive Change proposal to Office of Academic Programs and Policy in the Chancellor's Office.

The Chancellor's Office will review and send the campus an approval letter if it has been determined that applicable policies apply. Campus personnel are welcome to discuss the proposal by phone to expedite the process (562) 951-4672. The campus will provide WASC a copy of the Chancellor's Office approval, in fulfillment of the WASC requirement that all institutional approvals are in place.
