Coded Memo: FS 2021-01

Date: April 2, 2021

To: Chief Administration and Business Officers (CABO)

From: Mary Ek, Assistant Vice Chancellor/Controller, Financial Services 

Subject: 2021/2022 Centrally Paid Costs

Each year the Chancellor's Office allocates centrally paid costs to the campuses. This includes indirect costs, direct costs, and debt service amounts. The accompanying schedules were created to assist the appropriate fiscal personnel at your campus in developing next year's budget.

The largest costs passed down to the campuses are health and dental benefits for retired annuitants related to special funds. In addition, included is a portion of the Pension Loan repayment for SB 84.

The Chancellor's Office overhead represents recoveries of the Business and Finance Division for providing services to Auxiliary Enterprises and Auxiliary Organizations per Executive Order 1000. There has been no increase in this cost for Fiscal Year 2021/22.

Thank you for your assistance in this process.
