Interns

Vertigo Entertainment is currently seeking remote Fall **INTERNS!**

Vertigo is a production and development company with a first look deal at Warner Brothers Studios for features, and a **TV** deal at Sony. We are responsible for producing: **IT**, **DOCTOR SLEEP**, **THE DEPARTED**, **THE RING**, **THE GRUDGE**, **LEGO MOVIE**, **DEATH NOTE** among many others.

INTERN RESPONSIBILITIES

We are offering a remote internship for enrolled students looking to gain development experience in the entertainment industry. The internship will focus primarily on script coverage, research and other aspects of the development process. We will help satisfy college credit requirements, but please note this internship is unpaid.

Commitment: 2 – 3 months, 2 – 3 days per week

Primary duties include light admin, but mostly script/film/book coverage for features and **TV**. Laid back environment with interns directly involved with our daily activities developing, reading etc.

REQUIREMENTS

Must be a student receiving college credit and have previous experience with script coverage/analysis.
