| <p>1. Activate your campus student portal as soon as possible. In addition to e-mail, the campus portal is one of the primary means which campuses use to communicate with students important updates and deadlines, programs and services (e.g., BroncoDirect, mycsulb.edu). Your campus account will help you access online student updates, deadlines and appointments.</p> | |
| <p>2. Most campus communications will come via e-mail. Check and read your e-mail regularly. To avoid campus e-mails going to the spam folder, add campus e-mail address(es) to your e-mail contact list.</p> | |

| <p>4. Submit your "Intent to Register/Deposit" to the campus by the posted deadline.</p> | |
