In the top screenshot, you may want to show a Transfer student example? Maybe ADT, where it asks the additional questions.

Williams, Angela, 8/28/2018
You must select at least one program to begin your application. You may add additional programs from the Add Program tab at any time before the submission deadline.

Due to CSU enrollment pressures, campuses may offer very limited Lower Division and Second Baccalaureate programs.

Please click here for campus specific program Dates & Deadlines.

Application fees for some undergraduate programs may be waived based on eligibility. Once you have completed your application in full, please click on the Submit Applications tab to review your fee waiver status. For more information on application fee waiver eligibility, please click here.

Programs with a Source of Extended Education are offered by Extended and Continuing Education on each campus.
SSN & Date of Birth Validations

Less than 13 or older than 70
AB540 Applicants should select None

Applicants that reside in CA should select Yes regardless of US Citizenship status

Transcript Entry

Enter transcript information exactly as it appears on your transcript. Your transcript details will be reviewed by a quality assurance team. If there are inaccuracies, your application will be sent back to you, and this will result in delays in submitting your application. All courses must be included, even if you did poorly or later repeated the course. If you have transfer credits, enter these credits from the institution where you originally took the course.

After you enter transcript information for all colleges attended, you will complete Transcript Review. In Transcript Review you will be asked to identify additional attributes about your coursework including Primary College and courses that are Repeated, Advanced Placement, Other Tests, Honors, and Study Abroad.

General Guidelines: Enter courses under the institution where you originally took the course, and enter information exactly as it appears on your transcript (include any planned or in-progress coursework). Include all courses, even if you did poorly or later repeated the course. If you are using Advanced Placement (AP), CLER, or International Baccalaureate (IB) tests to satisfy general education requirements, add a course for each test. For the course title, enter AP and the name of the exam (for example AP Exam Calculus).

IMPORTANT: You must enter coursework so that a CSU GPA can be calculated properly.

Transfer Applicants: Click here to review a Transfer Credit Entry.

Returning Applicants: If you are returning to the same CSU that you last attended and have not taken any college courses at another institution, select “I Am Not Adding Any College Transcripts.” If you have taken courses at another institution, enter the coursework for that institution. If you are applying to an additional campus as a new applicant, you will need to enter all transcript information.

Graduate and Credential Applicants: Only enter courses that are in-progress or planned. Select “I Am Not Adding Any College Transcripts” if you don’t have in-progress or planned coursework. If you entered multiple colleges in the Colleges Attended section and have in-progress or planned coursework for at least one of those colleges, complete the following tasks:

1. Enter the in-progress or planned coursework under the appropriate college(s).
2. For all other colleges where you don’t have planned or in-progress coursework, enter a single completed course for that college. You can choose any completed course.

Transfer GPA: 2.54
Transfer Credit Hours: 13
Transfer Quality Points: 33

Educational Opportunity Program

- Applicants should always verify the campus application status and deadlines - [https://www2.calstate.edu/attend/student-services/eop/Pages/eop-campus-status.aspx](https://www2.calstate.edu/attend/student-services/eop/Pages/eop-campus-status.aspx)
- All campuses are accepting EOP transfer applications, except for Channel Islands, Dominguez Hills and Stanislaus
- Applicants can return to complete the EOP portion of the application until January 15th
  - Five campuses require EOP applications by November 30th
- All EOP tiles are now under Supporting Information Quadrant
- Need to complete all required questions on a tile to save
1. Educational Opportunity Program (EOP)

The Educational Opportunity Program (EOP) is designed to improve access and retention of historically low-income and educationally disadvantaged students. EOP students have the potential and demonstrated motivation to perform satisfactorily at a CSU, but they have not been able to realize their fullest potential because of their economic or educational background. The program provides admission and academic assistance to EOP-eligible undergraduate students. In many cases, the program offers financial assistance to eligible students. Campuses tailor their programs to accommodate the needs of their student population.

To determine if the CSU that you are interested in applying to is accepting EOP applications and the deadline, please review the EOP Admission site.
