Add a Program Page

You must select at least one program to begin your application. You may add additional programs from the Add Program tab at any time before the submission deadline.

Due to CSU enrollment pressures, campuses may offer very limited Lower Division and Second Baccalaureate programs.

Please click here for campus specific program Dates & Deadlines.

Application fees for some undergraduate programs may be waived based on eligibility. Once you have completed your application in full, please click on the Submit Applications tab to review your fee waiver status. For more information on application fee waiver eligibility, please click here.

Programs with a Source of Extended Education are offered by Extended and Continuing Education on each campus.
AB540 Applicants should select None.

Applicants that reside in CA should select Yes regardless of US Citizenship status.
Gender and Gender Identity

Required by AB 620 (2011) and SB179 (2017)

Legal Sex

* What is your legal sex?

- Male
- Female
- Nonbinary

Do you consider yourself to be?

How do you describe yourself?

How do you describe the way you express your gender identity in terms of behavior, appearance, speech, and movement?

Calstate.edu/apply   | The new way to apply to CSU
High School Entry

- Must select their State from the Pulldown Menu
- Entering a City is highly recommended to narrow the search
- High School names are pulled from College Board list. Applicants should attempt all abbreviations and should avoid manually entering their high school
- Home Schooled applicants should select that option to enter their High School
- Applicants must select one term type per High School entry. For High Schools with multiple term types, the applicant must enter the High School a second time with the secondary term type – Dates may overlap as necessary
Term Type Change Warning

Warning

Changing your Term Type will erase everything you have already entered in High School Coursework and will also erase A-G matching. Are you sure you want to continue?

What to do instead: If your high school uses multiple term types for your courses you will need to Add your High School multiple times for each different term type. View Example

Cancel  |  Continue
• Applicants will select their Graduation Status
• Applicants will select the High School where they did receive or intend to receive their diploma as well as their anticipated graduation Month/Year
• Applicants will repeat this process to add up to 5 High Schools attended
High School Coursework

1. Applicants should enter only Math and Language Other than English course completed in 7th and 8th grades as grade levels and academic years, with their 9th grade high school selected (No UC CMP lists for Middle Schools).
2. Courses taken for only one semester should be reported with the one grade earned and ‘No Grade’ selected for the opposite semester.
High School Coursework cont.

- Applicants must enter all courses completed, In Progress or Planned to fulfill A-G subject requirements
- Course type should be None when the course is not AP, IB or Honors
- Only UC CMP approved Honors courses will be granted the extra point
- Courses taken for less than a full year should be reported with the one grade earned and ‘No Grade’ selected for the opposite term
- Courses completed at a College should be reported on the College Transcript entry screen, and then manually matched to an A-G category
- Manually entered courses must be manually matched A-G category
CCGI Integration

• Partner District applicants may initiate from CCGI site or connect accounts in CSA
• Non-Partner District applicants may create a CCGI account to begin entering planner data, and may initiate from CCGI or connect accounts in CSA
• Applicants must verify all information by visiting each screen and clicking Save and Continue
• Note: Partner District applicants are encouraged to not update HS Courses imported from CCGI
High Schools Attended

Please add information about the high school where you obtained your degree (or will soon receive your degree). If required by the schools you are applying to, be sure to request a transcript by filling out the Transcript Request Form.

California residents, use your CaliforniaColleges.edu account to add high school transcript information to your application.

Show Me How

Cal State Apply allows you to connect from other partners to your application. By doing so, Cal State Apply will be able to streamline your application process by pre-filling portions of your application with your verified data (e.g., transcripts). You can manage your linked accounts here at any time.

CaliforniaColleges.edu

This service will allow you to add your CaliforniaColleges.edu information to your application.

When performing this action, we'll replace your application transcript information with your current CaliforniaColleges.edu. As a result, any changes you've made to the following sections will be replaced:

- High Schools Attended
- High School Coursework
- Statewide Identification Number (SSID)

Connect Your CaliforniaColleges.edu Account

Follow these three steps to import your CaliforniaColleges.edu high school information.

1. Click Continue to go to CaliforniaColleges.edu
2. Click Import on the "My Data" page
3. Review all data on HS Attended, HS Coursework, and their Statewide Student ID

Launched from CCGI

Takes them to CSA Sign-in

By launching this application, I understand that my biographical information (like date of birth and student ID), and my course information (such as my completed, enrolled, and planned coursework) will be shared with the California State University system and the particular campuses to which I am applying. This data will be used to support more timely and accurate admissions decisions and the provision of appropriate services.

A-G Matching

Applicants must click on the Update A-G Courses button to review their entries, and ensure that all courses have an A-G area assigned.

Area G courses may be pulled from additional years completed in above A-F categories.

Most applicants utilize the year of World History typically taken in 10th grade.

Based on the UC’s revised Laboratory Science disciplines, applicants may need to manually revise the D1/D2 category.
A-G Warning

• Should all subject areas not be met, applicants will see a warning message, displaying all areas where there are deficiencies
  • Applicants may accept the warning and move forward, or return to the A-G Matching Screen
