- **EXISTING**: Submission of Nonresident Tuition Exemption form
Title 5 Amendments to §41906.5 and §41906.6

Changes provide campus guidance:

• Campuses should consult with the California adult schools regarding the calculation of class hours to determine the minimum 420 class hours of attendance for each school year.

• Minimum transfer requirements for students transferring from a California Community College campus shall mean meeting the undergraduate transfer admission requirements established in Title 5, sections 40803, 40804 or 40804.1.
Resources for Undocumented Students

As a leader in higher education, the 23-campus California State University is committed to ensuring academic opportunities are available to all the state’s students, regardless of citizenship status.
