## MEMORANDUM

## Date: September 6, 2011

To: Interested Parties
From: Christine Mallon

Subject: Systemwide Credit for External Examinations

This Coded Memorandum updates and supersedes Coded Memorandum AA-2010-09.
As directed in Executive Order 1036, Section 1.2.4, the CSU faculty have determined the following passing scores, minimum units of credit earned, and certification area (for General Education Breadth and/or U.S. History, Constitution, and American Ideals) for the enclosed list of standardized external examinations.

Note that each campus in the California State University system determines how it will apply external examinations toward credit in the major. For students not already certified in GE and/or American Institutions, the campus also determines how to apply credit from such exams toward the local degree requirements.

Questions about this memo may be directed to Ken O'Donnell, State University Associate Dean, Academic Programs and Policy: 562/951-4735, kodonnell@ calstate.edu.

${ }^{1}$ These units count toward eligibility for admission. The units may not all apply toward certification of the corresponding GE-Breadth area. See Executive Orders 1033 and 1036 for details.
${ }^{2}$ Areas of GE Breadth (A1 through E) are defined in EO 1033. Areas of American Institutions (US-1 through US-3) are set forth in Sections IA and IB of EO 405, and at assist.org.
${ }^{3}$ Students seeking certification in GE Breadth prior to transfer must have passed the test before this date.
${ }^{4}$ If a student passes more than one AP exam in calculus or computer science, only one examination may be applied to the baccalaureate.
${ }^{5}$ Students who pass AP Environmental Science earn 4 units of credit. Tests prior to Fall 2009 may apply to either B1+B3 or B2+B3 of GE Breadth. Fall of 09 or later, those credits may only apply to B1+B3.
${ }^{6}$ If a student passes more than one AP exam in physics, only six units of credit may be applied to the baccalaureate, and only four units of credit may be applied to a certification in GE Breadth.
${ }^{7}$ If a student passes more than one CLEP test in the same language other than English (e.g., two exams in French), then only one examination may be applied to the baccalaureate. For each test in a language other than English, a passing score of 50 is considered "Level I" and earns six units of baccalaureate credit; the higher score listed for each test is considered "Level II" and earns additional units of credit and placement in Area C2 of GE Breadth, as noted.
${ }^{8}$ The IB curriculum offers language at various levels for native and non-native speakers. Language B courses are offered at the intermediate level for non-natives. Language A1 and A2 are advanced courses in literature for native and non-native speakers, respectively.
