Proposed Revision of Title 5 Regulations – Amendment of California State University Conflict of Interest Code

Presentation By

Andrew Jones
Interim Vice Chancellor
Human Resources

Summary

The Political Reform Act of 1974 requires the Trustees of the California State University (CSU) to adopt a Conflict of Interest Code which requires employees in designated positions to annually file Statements of Economic Interests (Form 700). Employees in designated positions are required to disclose financial interests which foreseeably could be materially affected by their making or participating in the making of decisions in their CSU employment. The Fair Political Practices Commission (FPPC) is the governing authority that approves Conflict of Interest Code updates.

The California State University Conflict of Interest Code must be updated periodically to reflect changes in designated positions and disclosure categories of those individuals who make or participate in the making of decisions that foreseeably will have a material effect on personal financial interests.

The purpose of this information item is to provide a summary of the proposed amendment to the Code:

- a. FPPC recommended a model applicable to higher education entities that streamlines disclosure categories and expands transparency. The proposed amendment consolidates the disclosure categories from 17 to 8 and also updates designated position changes.
- b. FPPC recommended and CSU proposes to adopt disclosure categories that are easier to understand and which develop greater consistency in how the disclosure categories are assigned across the system. The updated disclosure categories will capture the same financial interests in a more efficient way.
- c. The proposed amendment brings into conformity changes made by the campuses and the Chancellor's Office in the titles and responsibilities of designated positions. The proposed amendment ensures that the financial interests must be disclosed for designated positions that are involved in decision-making authority.

These changes will amend Attachment A of Article 20 of Title 5, *California Code of Regulations*. Attachment A identifies proposed disclosure categories changes.

The Designated Positions List which identifies proposed designated positions, some of which may be subject to minor changes prior to final action by the Board, can be accessed at <https://www2.calstate.edu/csu-system/transparency-accountability>.

This item will be presented for action at the November 2016 Board of Trustees meeting.

Upon approval by the Board of Trustees, the amendment will be submitted to the Fair Political Practices Commission (FPPC) for approval.

Since changing the CSU Conflict of Interest Code requires an amendment to Title 5 of the *California Code of Regulations*, this item will be noticed for a public hearing at the November 2016 Board of Trustees meeting, as required by law.

Outside Employment Disclosure Requirements for Management Personnel Plan (MPP) and Executive Employees

Presentation By

Andrew Jones
Interim Vice Chancellor
Human Resources

Summary

Information will be provided on the new disclosure requirements on outside employment for Management Personnel Plan (MPP) and Executive employees.

Background

“Executive employees” include the chancellor, presidents, executive vice chancellors, and vice chancellors.

“Outside employment” is defined as any income received that is not compensated through CSU payroll.

“Conflict of commitment” is any outside work that creates a perceived or actual conflict with an employee’s ability to perform normal CSU work assignments, maintain satisfactory performance, and meet his/her responsibilities to the CSU.

Governing statute:

At the January 22-23, 2013 meeting of the California State University (CSU) Board of Trustees a resolution (RUFP 01-13-01) was adopted to add the following to Section 42740 of Title 5 of the California Code of Regulations:

Title 5, California Code of Regulations
Division 5 – Board of Trustees of the California State Universities
Chapter 1 – California State University
Subchapter 7 – Employees
Article 2.3 – Outside Employment Disclosure Requirements

§ 42740. Outside Employment – Management and Executive Employees

Management Personnel Plan and executive employees shall be required to report outside employment for the identification of and to preclude any conflict of commitment. The Chancellor is responsible for implementing this section.

NOTE: Authority cited: Sections 89030 and 89500, Education Code. Reference cited: Section 89030 and 89500, Education Code.

The Vice Chancellor of Human Resources implemented a policy that requires MPP and Executive employees to disclose any outside employment at several intervals: at the time of hire, annually, within 30 days of accepting outside employment, and within 10 days of request by a supervisor. The policy requires all outside employment disclosures to be reviewed and acknowledged by an appropriate administrator for potential conflicts of commitment. For Executive employees, the administrator who reviews these forms are the Chancellor and/or the Board of Trustees.

In April 2016, the CSU renewed its commitment to the State Legislature and the public to improve its policy, transparency, and accountability by revising the outside employment disclosure requirements for MPP and Executive employees. On June 27, 2016, Senate Bill 886, referred to as the “Budget Act of 2016”, was signed into law by the Governor, and requires the CSU Board of Trustees to review the policies and procedures governing outside employment by university executives and senior management no later than January 1, 2017.

Information

The revised outside employment disclosure policy for MPP and Executive employees honors CSU’s commitment to the Legislature and the public, and complies with the Budget Act of 2016. The following is a list of the proposed changes to the policy:

- Require that outside employment of MPP and Executive employees do not create conflicts of interest or conflicts of commitment, whether those are actual or perceived.
- Require that outside employment is consistent with, and furthers, the public mission of the CSU.
- Require campuses to establish procedures to implement the policy requirements and provide an annual report to the Chancellor’s Office on outside employment disclosures at the campus.
- Provide guidance to determine when a conflict of commitment or interest exists and steps to be taken if conflict is found.
- Specify appropriate consequences for violations of policies and procedures.
- Require all MPP and Executive employees to submit a disclosure form at least annually, even if there is no outside employment to report.

- Defines Senior Management employees as Executive employees and Vice Presidents.
- Require detailed reporting and proper approval of outside employment for Senior Management Employees.
- The Board of Trustees shall annually review and provide the opportunity for public discussion and approval for the outside employment endeavors of all Senior Management employees.
- Require the Chancellor's Office to report outside employment of Senior Management employees publicly on an annual basis.

The revised outside employment disclosure policy for MPP and Executive employees serves to strengthen the CSU's commitment to improving and ensuring the public trust through clear policy objectives, stronger monitoring requirements, and increased transparency. These improvements will ensure that both CSU and members of the public are accurately informed of the outside employment of all management and executive employees and better positioned to prevent conflicts of commitment and interest.

Attachment A is the policy with all changes incorporated. Attachment B identifies changes to the policy. This item will be presented for action at the November 2016 Board of Trustees meeting.

Details

Policy Statement

Outside employment activities, while often mutually beneficial to the CSU and the employees themselves, must not conflict with an employee's ability to meet his/her responsibilities to the CSU and at all times act in the best interest of CSU. Therefore, it is the policy of the CSU to provide a transparent system of disclosure, approval, and documentation of outside employment activities performed by CSU MPP and Executive employees to identify any potential conflicts of commitment and/or conflicts of interest. This policy complies with Section 42740 of Title 5, California Code of Regulations and frames the rules and procedures to delineate permissible outside employment activities. Campuses are required to establish procedures to implement this policy requirement.

Background

In response to the California State Auditor (CSA) recommendation on CSU Compensation Practices, the Board of Trustees (BOT) approved the following addition to Title 5 of the California Code of Regulations in January 2013:

§ 42740. Outside Employment – Management and Executive Employees.

Management Personnel Plan and executive employees shall be required to report outside employment for the identification of and to preclude any conflict of commitment. The Chancellor is responsible for implementing this section.

NOTE: Authority cited: Sections 89030 and 89500, Education Code. Reference cited: Section 89030 and 89500, Education Code.

The BOT resolution¹ required the annual disclosure and approval of all outside employment not compensated through the CSU payroll for MPP and Executive employees.

In April 2016, the CSU renewed its commitment to the State Legislature and the public to improve its policy, transparency, and accountability by revising the outside disclosure requirements for MPP and Executive employees. New requirements were also enacted under the Budget Act of 2016, signed into law by Governor Brown in June 2016. This policy update honors CSU's commitment to the Legislature and complies with the Budget Act of 2016. This updated policy goes into effect on January 1, 2017.

Disclosure Reporting Requirements

MPP and Executive employees are individually responsible and held accountable for ensuring that their outside employment activities do not create any actual or perceived conflict of commitment and/or conflict of interest to the CSU. All full-time and part-time MPP (including Executive) employees are expected to monitor and report any and all outside work for which they are being compensated. These employees are required to submit a disclosure form at least annually, even if there is no outside employment to report.

MPP and Executive employees should be given a copy of this policy and will be required to submit a written report of any outside employment at the following times:

- **At the time of hire or appointment** — Prospective MPP and Executive employees must disclose all current outside employment as a precondition of hire.
- **Annually** – All MPP and Executive employees must submit an annual disclosure by **[Date TBD]** of each year, reporting on outside employment held the previous calendar year (January 1 through December 31).
- **Within 30 days of accepting outside employment** – Employees must advise their supervisor of the outside employment opportunity within 30 days of accepting any outside employment.
- **Upon Request** – Employees shall provide any requested information within 10 days of an appropriate administrator's request.

The written disclosure statement shall include the nature of outside employment held, time comment, and expected duration. In addition to providing the information above, members of Senior Management (which consists of Executives and Vice Presidents) are required to disclose details of the outside employment, including the organization name, total compensation received, whether the business has had dealings with the CSU, and whether the employee was involved in making any decisions that affect CSU's dealings with the outside employer. A revised sample disclosure form for MPP employees has been provided in Attachment A. Attachment B contains a separate Outside Employment Disclosure Form that has been created for Senior Management employees. Campuses may use electronic forms to satisfy the reporting requirement.

Campuses should designate an employee responsible for this function and develop procedures to manage the disclosure process for MPP and Executive employees. Campuses are also required to maintain these records in accordance with

Section 1.17 of CSU's Records Retention Policy (at least 4 years from the date of the document), which can be found at <http://www.calstate.edu/recordsretention/>.

Determining Conflicts of Commitment

The following is a partial list of possible conflicts of commitment that merit a case-by-case examination of the outside employment activity to determine whether the activity should be managed appropriately, reduced or eliminated. Conflict of commitment may be found if the outside employment activity results in:

- A reduction of the employee's time and energy devoted to CSU activities
- The use of CSU property or other resources without authority (other than de minimus)
- An influence over the way the employee performs his/her CSU responsibilities
- The disclosure of confidential or proprietary information acquired through the performance of CSU duties
- Acting against the CSU's best interest or in conflict with the CSU's mission and goals
- The violation of CSU policies, procedures or practices

The primary commitment of Executive employees must be to the fulfillment of their regular CSU university responsibilities. As a reminder, Executive employees may serve on up to two corporate boards. Approval from the Chancellor is required prior to accepting service on a corporate board. Notice and approval are not required for service on non-profit boards. These requirements protect the public interest and support reinforcement of this policy.

Determining Conflicts of Interest

No CSU MPP or Executive employee may make, participate in making, or influence a governmental decision in which he/she has a financial interest as defined by the Political Reform Act. A conflict of interest exists if the outside employment creates a financial interest on the part of the employee that precludes the employee from making decisions within the scope of the employee's duties.

Document Review – MPP Employees (excluding Senior Management)

All MPP employees are expected to reduce or eliminate outside employment if any perceived or actual conflicts of commitment or interest are found. Outside employment disclosures should be reviewed for any perceived or actual conflicts of commitment or interest by an appropriate administrator. The appropriate administrator who reviews these forms shall be the person to whom the employee reports.

If the employee's manager or the appropriate administrator determines there is a perceived or actual conflict of commitment and/or conflict of interest in the outside employment activity, and the employee disagrees with this determination, it should be noted on the outside employment disclosure form and escalated to the next level of review. This second and final level of review should be conducted by an independent review committee appointed by the President or Chancellor or his/her designee. The recommendation provided at this level shall be the final determination.

Document Review and Approval – Senior Management Employees

To protect the interests of the public and the CSU, all Senior Management employees are expected to perform outside employment free of any perceived or actual conflicts of commitment or interest. All outside employment disclosures should be reviewed for any perceived or actual conflicts of commitment or interest and approved by the President or his/her designee, and for all Executive employees, by the Chancellor or his/her designee. In addition, the Board of Trustees shall annually review and provide the opportunity for public discussion and approval for the outside employment endeavors of all Senior Management employees.

If the outside employment requires a second level of review for approval, an independent review committee appointed by the Chancellor (or the Board of Trustees for the Chancellor) or his/her designee and the Vice Chancellor of Human Resources, in consultation with the Office of General Counsel, shall review the outside employment disclosure. The recommendation provided at this level shall be the final determination.

Violations of Policy

Noncompliance and violations of this policy will be subject to corrective action, consistent with how the CSU addresses any policy violations² and will depend on the severity of the conduct.

Chancellor's Office and Board of Trustees Review

Campuses are required to submit a summary report (see Attachment D for a template) on outside employment disclosures to the Chancellor's Office annually [Date TBD]. Reports should be sent to [TBD]. Annual reminders will be sent from Systemwide HR. The report shall include the following:

- Percentage of MPP employees with outside employment at the campus
- Disclosure of all outside employment details for Senior Management
- Additional information as requested by the Systemwide HR office

Outside employment disclosure forms are public records and are subject to the California Public Records Act. To increase transparency, protect public interest, and ensure public trust, the CSU will publicly post the outside employment activities of Senior Management employees, which include the Chancellor, Executive Vice Chancellors, Vice Chancellors, Presidents, and Vice Presidents. The Chancellor's Office Systemwide HR will be responsible for maintaining a public website reporting the outside employment endeavors of Senior Management.

Outside Employment Policy for MPP and Executives Frequently Asked Questions

1. Who is required to report outside employment?

All MPP and Executive employees, whether part-time or full-time are required to complete the Outside Employment Disclosure Form even if they do not have any outside employment to report. (see Attachment A and B).

2. What are MPP and Executive employees expected to report?

MPP and Executive employees are expected to report outside work for which the employees are being compensated and result in reportable income. "Reportable income" is any work for which a W-2 or 1099 is issued.

3. When must MPP and Executive employees disclose outside employment?

MPP and Executive employees must disclose outside employment under the following instances:

- **At the time of hire or appointment** — Prospective MPP and Executive employees must disclose all current outside employment as a precondition of hire.
- **Annually** - All MPP and Executive employees must submit an annual disclosure by **[Date TBD]** of each year, reporting on outside employment held the previous calendar year (January 1 through December 31).
- **Within 30 days of accepting outside employment** - Employees must advise their supervisor of the outside employment opportunity within 30 days of accepting any outside employment.
- **Upon Request** - Employees shall provide any requested information within 10 days of an appropriate administrator's request.

4. Why are there outside employment disclosure requirements for MPPs and Executives?

The need to report compensatory outside employment initially resulted from a California State Auditor (CSA) finding on CSU Compensation Practices and a Board of Trustees Resolution approving the addition to Title 5 of the California Code of Regulations. In April 2016, the CSU renewed its commitment to the State Legislature and the public to improve its policy, transparency, and accountability by revising the outside disclosure requirements for MPP and Executive employees. New requirements were also enacted under the Budget Act of 2016, signed into law by Governor Brown in June 2016. This policy update honors CSU's commitment to the Legislature and complies with the Budget Act of 2016.

5. Why are there two separate forms for reporting?

The Outside Employment Disclosure Form for Senior Management Employees (Attachment B) is a detailed reporting form that is required for all Executive employees and Vice Presidents. Attachment A (Outside Employment Disclosure Form for MPP Employees) is for all other MPP employees.

6. Who is considered "Senior Management"?

Senior Management, for the purpose of this policy, includes the Chancellor, Executive Vice Chancellors, Vice Chancellors, Presidents, and Vice Presidents.

7. Why must outside employment for Senior Management be disclosed publicly?

It is required under the Budget Act of 2016.

8. Are Vice Presidents required to submit both forms (Attachment A and Attachment B)?

No, Vice Presidents are only required to submit Attachment B.

9. Are prospective MPP/Executive employees required to submit the Form even if they do not have outside employment?

Yes, the policy requires all prospective MPP and Executive employees to complete the Disclosure Form even if he/she does not have outside employment to report.

10. If an MPP employee works one or two days only on an outside employment engagement, do they have to report it under this policy?

Yes, as stated in the policy, "MPP and Executive employees are expected to report any and all outside work for which the employees are being compensated". Any work that results in reportable income (for which a 1099 or W-2 is issued) must be reported, no matter the time commitment.

11. If an MPP/Executive employee accepts an honorarium for giving a speech or presentation, does it have to be reported as outside employment?

Yes. MPP/Executive employees are required to report all outside work for which they receive compensation. As a reminder, an employee may not accept an honorarium from a reportable source (i.e., a source the employee will be required to disclose on an annual Form 700 Statement of Economic Interest). Cal. Govt. Code §89502.

12. Does the supervisor have the ability to tell the employee that the outside employment is a conflict and they cannot do the work?

Yes. The appropriate administrator has the authority to advise the individual that his/her outside employment conflicts with CSU employment, and that the conflict can no longer continue.

If so, can the employee be disciplined or discharged if they do not comply with the policy?

Noncompliance and violations of this policy will be subject to corrective action, consistent with how the CSU addresses any policy violations and will depend on the severity of the conduct.

13. Is documentation required to support that the outside employment "interfered with normal work assignments" or affected "satisfactory performance"?

As with any disciplinary action and/or unfavorable performance review, these situations must be documented appropriately and in the same manner. Campus performance evaluation/assessment procedures should support these actions.

14. When administrators sign the Disclosure Form that employees submit, are they actually approving the outside employment?

Yes, only if the administrator is reviewing it for Senior Management employees. For MPP employees, the administrator's signature confirms that the administrator has reviewed the employee's outside employment and has determined that no conflict of commitment or conflict of interest exists.

15. What happens if the employee refuses to provide the information?

The administrator should acknowledge, sign, and indicate on the disclosure form that the employee refused to sign the form. Further action will be required to evaluate the employee on failure to adhere to a policy requirement.

16. What is "too much" outside employment?

"Too much" outside employment is one that interferes with CSU work assignments and employee performance.

17. If the work that is being performed does not conflict with the employee's work for the CSU and does not occur during CSU business hours, is this still reportable?

Yes.

18. If the employee is not performing work but is receiving passive income (e.g., royalty payments) for service(s) performed in the past, does this need to be disclosed?

No.

19. If the industry in which outside employment is being performed has no affiliation with the CSU, is it still reportable?

Yes.

20. What constitutes a conflict of commitment?

A conflict, in the context of this policy, means any outside work that conflicts with an employee's ability to perform normal CSU work assignments, maintain satisfactory performance, and meet his/her responsibilities to the CSU. Please refer to the "Determining Conflicts of Commitment" section of the policy for further information.

21. Where are completed forms filed, in the employee's personnel file or a separate file?

Completed forms shall be kept in a separate file and maintained in a fashion that allows Systemwide HR to efficiently access these files in the event of an audit.

22. Exactly what must the MPP disclose about his/her outside employment?

For MPP employees (excluding Senior Management), the Disclosure Form only requires the information about the nature of outside employment held, time commitment, and expected duration. "Nature" in this context can be used to categorize the role or category of employment services being performed (e.g., supervisor, president, manager, consultant). Senior Management employees have a separate and more comprehensive disclosure requirement.

23. What if the employee does not agree with the perception of work conflict?

The appropriate CSU administrator is responsible for determining if a work conflict exists, made in consideration of the employee's CSU work assignments and performance. If the employee does not agree that there is a conflict of commitment, it should be noted in the outside employment disclosure form and escalated to the next level of review, which will involve an independent review committee. See *Document Review – MPP Employees (excluding Senior Management)* and *Document Review and Approval – Senior Management Employees* for more information.

24. Will the Chancellor be asking the Presidents to report outside employment?

Yes. This policy applies to all Executive and MPP employees, including the campus presidents. The Chancellor will administer the policy to Presidents.

25. Why do campuses have to report outside employment of their presidents and vice presidents to the Chancellor's Office?

The CA State Legislature requires the Chancellor's Office to report outside employment activities of Senior Management employees publicly on an annual basis. The Chancellor's Office will maintain a public website reporting the outside employment endeavors of these individuals, and will be requiring campuses to report this information to the Chancellor's Office annually by **[Date TBD]**.

26. What is required on the annual report submitted to the Chancellor's Office?

The report shall include the percentage of MPP employees with outside employment at the campus, detailed disclosure of all outside employment details for Senior Management, and any additional information as requested by the Systemwide HR office. Annual reminders will be sent from Systemwide HR detailing the required contents of the report.

27. Will my Outside Disclosure Form be posted on the internet?

The Chancellor's Office Systemwide HR will be responsible for maintaining a public website reporting the outside employment endeavors of Senior Management employees. All forms are public records and subject to production under the California Public Records Act.

Details

Policy Statement

Outside employment activities, while often mutually beneficial to the CSU and the employees themselves, must not conflict with an employee's ability to meet his/her responsibilities to the CSU and at all times act in the best interest of CSU. Therefore, it is the policy of the CSU to provide a transparent system of disclosure, approval, and documentation of outside employment activities performed by CSU MPP and Executive employees to identify any potential conflicts of commitment and/or conflicts of interest. This policy complies with Section 42740 of Title 5, California Code of Regulations and frames the rules and procedures to delineate permissible outside employment activities. Campuses are required to establish procedures to implement this policy requirement.

Background:

Consistent with the requirements of the California Bureau of State Audits (BSA) finding on CSU Compensation Practices, the Board of Trustees has approved an addition to Title 5 of the California Code of Regulations at its January 2013 Board of Trustees meeting. The resolution required the disclosure and approval of outside employment for all full time

management and executive employees for the identification of and to preclude any conflict of commitment. The link to the Board of Trustees Resolution #RUF01-13-01 is found here: <http://www.calstate.edu/BOT/resolutions/jan2013.pdf>. This requirement is already in place for faculty. See Article 35 of the Collective Bargaining Agreement (CBA) with the California Faculty Association (CFA).

Definition: For the context of this policy, outside employment refers to any employment not compensated through the CSU payroll, including CSU foundation and CSU auxiliary employment. Volunteer work does not apply to this policy.

Disclosure Requirements:

MPP and Executive employees are expected to report any and all outside work for which the employees are being compensated. In addition, requests for written disclosure may also be made when the appropriate administrator deems it necessary to ascertain that the employee's outside employment does not conflict with normal work assignments or satisfactory performance. In the case of Executive employees, the appropriate administrator could include the Chancellor and/or the Board of Trustees. The written disclosure statement shall provide the nature and approximate distribution of time devoted to continuous outside employment endeavors.

Reporting Requirements:

To ensure policy compliance, campuses shall initiate a reporting period for all MPP and Executive employees, in which current employees shall disclose outside employment activity within 60 days. Current employees who have outside employment are required to complete the disclosure form annually, and within 30 days of taking outside employment. Annual reminders for disclosures will be sent by Human Resources. For newly hired MPP and Executive employees, campuses shall provide a copy of this policy and require the completion of an acknowledgement form as a precondition of employment. In the event that an administrator requests the disclosure of outside employment from a current employee, the written report shall be provided to the administrator within 10 days. A sample disclosure and acknowledgement form has been provided in Attachment A. Campuses may use electronic forms to satisfy the reporting requirement.

Document Review and Filing:

Campuses are required to establish procedures to implement this policy requirement. Campuses should designate an employee responsible for this function and develop procedures to manage the disclosure process. Campuses are also required to maintain these records in accordance with CSU's Records Retention Policy.

Background

In response to the California State Auditor (CSA) recommendation on CSU Compensation Practices, the Board of Trustees (BOT) approved the following addition to Title 5 of the California Code of Regulations in January 2013:

§ 42740. Outside Employment – Management and Executive Employees.

Management Personnel Plan and executive employees shall be required to report outside employment for the identification of and to preclude any conflict of commitment. The Chancellor is responsible for implementing this section.

NOTE: Authority cited: Sections 89030 and 89500, Education Code. Reference cited: Section 89030 and 89500, Education Code.

The BOT resolution¹ required the annual disclosure and approval of all outside employment not compensated through the CSU payroll for MPP and Executive employees.

¹ Link to Board of Trustees Resolution #RUF01-13-01: <http://www.calstate.edu/BOT/resolutions/jan2013.pdf>

In April 2016, the CSU renewed its commitment to the State Legislature and the public to improve its policy, transparency, and accountability by revising the outside disclosure requirements for MPP and Executive employees. New requirements were also enacted under the Budget Act of 2016, signed into law by Governor Brown in June 2016. This policy update honors CSU's commitment to the Legislature and complies with the Budget Act of 2016. This updated policy goes into effect on January 1, 2017.

Disclosure Reporting Requirements

MPP and Executive employees are individually responsible and held accountable for ensuring that their outside employment activities do not create any actual or perceived conflict of commitment and/or conflict of interest to the CSU. All full-time and part-time MPP (including Executive) employees are expected to monitor and report any and all outside work for which they are being compensated. These employees are required to submit a disclosure form at least annually, even if there is no outside employment to report.

MPP and Executive employees should be given a copy of this policy and will be required to submit a written report of any outside employment at the following times:

- **At the time of hire or appointment** — Prospective MPP and Executive employees must disclose all current outside employment as a precondition of hire.
- **Annually** – All MPP and Executive employees must submit an annual disclosure by [Date TBD] of each year, reporting on outside employment held the previous calendar year (January 1 through December 31).
- **Within 30 days of accepting outside employment** – Employees must advise their supervisor of the outside employment opportunity within 30 days of accepting any outside employment.
- **Upon Request** – Employees shall provide any requested information within 10 days of an appropriate administrator's request.

The written disclosure statement shall include the nature of outside employment held, time comment, and expected duration. In addition to providing the information above, members of Senior Management (which consists of Executives and Vice Presidents) are required to disclose details of the outside employment, including the organization name, total compensation received, whether the business has had dealings with the CSU, and whether the employee was involved in making any decisions that affect CSU's dealings with the outside employer. A revised sample disclosure form for MPP employees has been provided in Attachment A. Attachment B contains a separate Outside Employment Disclosure Form that has been created for Senior Management employees. Campuses may use electronic forms to satisfy the reporting requirement.

Campuses should designate an employee responsible for this function and develop procedures to manage the disclosure process for MPP and Executive employees. Campuses are also required to maintain these records in accordance with Section 1.17 of CSU's Records Retention Policy (at least 4 years from the date of the document), which can be found at <http://www.calstate.edu/recordsretention/>.

Determining Conflicts of Commitment

The following is a partial list of possible conflicts of commitment that merit a case-by-case examination of the outside employment activity to determine whether the activity should be managed appropriately, reduced or eliminated. Conflict of commitment may be found if the outside employment activity results in:

- A reduction of the employee's time and energy devoted to CSU activities
- The use of CSU property or other resources without authority (other than de minimus)
- An influence over the way the employee performs his/her CSU responsibilities
- The disclosure of confidential or proprietary information acquired through the performance of CSU duties
- Acting against the CSU's best interest or in conflict with the CSU's mission and goals
- The violation of CSU policies, procedures or practices

The primary commitment of Executive employees must be to the fulfillment of their regular CSU university responsibilities. As a reminder, Executive employees may serve on up to two corporate boards. Approval from the Chancellor is required prior to accepting service on a corporate board. Notice and approval are not required for service on non-profit boards. These requirements protect the public interest and support reinforcement of this policy.

Determining Conflicts of Interest

No CSU MPP or Executive employee may make, participate in making, or influence a governmental decision in which he/she has a financial interest as defined by the Political Reform Act. A conflict of interest exists if the outside employment creates a financial interest on the part of the employee that precludes the employee from making decisions within the scope of the employee's duties.

Document Review – MPP Employees (excluding Senior Management)

All MPP employees are expected to reduce or eliminate outside employment if any perceived or actual conflicts of commitment or interest are found. Outside employment disclosures should be reviewed for any perceived or actual conflicts of commitment or interest by an appropriate administrator. The appropriate administrator who reviews these forms shall be the person to whom the employee reports.

If the employee's manager or the appropriate administrator determines there is a perceived or actual conflict of commitment and/or conflict of interest in the outside employment activity, and the employee disagrees with this determination, it should be noted on the outside employment disclosure form and escalated to the next level of review. This second and final level of review should be conducted by an independent review committee appointed by the President or Chancellor or his/her designee. The recommendation provided at this level shall be the final determination.

Document Review and Approval – Senior Management Employees

To protect the interests of the public and the CSU, all Senior Management employees are expected to perform outside employment free of any perceived or actual conflicts of commitment or interest. All outside employment disclosures should be reviewed for any perceived or actual conflicts of commitment or interest and approved by the President or his/her designee, and for all Executive employees, by the Chancellor or his/her designee. In addition, the Board of Trustees shall annually review and provide the opportunity for public discussion and approval for the outside employment endeavors of all Senior Management employees.

If the outside employment requires a second level of review for approval, an independent review committee appointed by the Chancellor (or the Board of Trustees for the Chancellor) or his/her designee and the Vice Chancellor of Human Resources, in consultation with the Office of General Counsel, shall review the outside employment disclosure. The recommendation provided at this level shall be the final determination.

Violations of Policy

Noncompliance and violations of this policy will be subject to corrective action, consistent with how the CSU addresses any policy violations² and will depend on the severity of the conduct.

Chancellor's Office and Board of Trustees Review

Campuses are required to submit a summary report (see Attachment D for a template) on outside employment disclosures to the Chancellor's Office annually [Date TBD]. Reports should be sent to [TBD]. Annual reminders will be sent from Systemwide HR. The report shall include the following:

- Percentage of MPP employees with outside employment at the campus
- Disclosure of all outside employment details for Senior Management

² 5 Cal. Code Reg. §§42722, 42723

- Additional information as requested by the Systemwide HR office

Outside employment disclosure forms are public records and are subject to the California Public Records Act. To increase transparency, protect public interest, and ensure public trust, the CSU will publicly post the outside employment activities of Senior Management employees, which include the Chancellor, Executive Vice Chancellors, Vice Chancellors, Presidents, and Vice Presidents. The Chancellor's Office Systemwide HR will be responsible for maintaining a public website reporting the outside employment endeavors of Senior Management.

Questions regarding this policy should be directed to Systemwide Human Resources at (562) 951-4411 or your campus department. This document is available on the Human Resources Management's Website at <https://csyou.calstate.edu/Policies/HRPolicies/Forms/Default.aspx>.

Outside Employment Policy for MPP and Executives Frequently Asked Questions

1. Who is required to report outside employment?

All MPP and Executive employees, whether part-time or full-time are required to complete the Outside Employment Disclosure Form even if they do not have any outside employment to report. (see Attachment A and B).

1.2. What are MPP and Executive employees expected to report?

MPP and Executive employees are expected to report outside work for which the employees are being compensated, and ~~such work must~~ result in reportable income. "Reportable income" is any work for which a W-2 or 1099 is issued.

2.3. When must MPP and Executive employees disclose outside employment?

MPP and Executive employees must disclose outside employment under the following instances:

- At the time of hire or appointment — Prospective MPP and Executive employees must disclose all current outside employment as a precondition of hire.
- Annually – All MPP and Executive employees must submit an annual disclosure by [Date TBD] of each year, reporting on outside employment held the previous calendar year (January 1 through December 31).
- Within 30 days of accepting outside employment – Employees must advise their supervisor of the outside employment opportunity within 30 days of accepting any outside employment.
- Upon Request – Employees shall provide any requested information within 10 days of an appropriate administrator's request.

4. Why are there outside employment disclosure requirements for MPPs and Executives?

The need to report compensatory outside employment initially resulted from a California State Auditor (CSA) finding on CSU Compensation Practices and a Board of Trustees Resolution approving the addition to Title 5 of the California Code of Regulations. In April 2016, the CSU renewed its commitment to the State Legislature and the public to improve its policy, transparency, and accountability by revising the outside disclosure requirements for MPP and Executive employees. New requirements were also enacted under the Budget Act of 2016, signed into law by Governor Brown in June 2016. This policy update honors CSU's commitment to the Legislature and complies with the Budget Act of 2016.

5. Why are there two separate forms for reporting?

The Outside Employment Disclosure Form for Senior Management Employees (Attachment B) is a detailed reporting form that is required for all Executive employees and Vice Presidents. Attachment A (Outside Employment Disclosure Form for MPP Employees) is for all other MPP employees.

3.6. Who is considered "Senior Management"?

Senior Management, for the purpose of this policy, includes the Chancellor, Executive Vice Chancellors, Vice Chancellors, Presidents, and Vice Presidents.

4.7. Why must outside employment for Senior Management be disclosed publicly?

It is required under the Budget Act of 2016.

8. Are Vice Presidents required to submit both forms (Attachment A and Attachment B)?

No, Vice Presidents are only required to submit Attachment B.

5.9. Are prospective MPP/Executive employees required to submit the Form even if they do not have outside employment?

Yes, the policy requires all prospective MPP and Executive employees to complete the Disclosure Form even if he/she does not have outside employment to report.

6.10. If an MPP employee works one or two days only on an outside employment engagement, do they have to report it under this policy?

Yes, as stated in the policy, "MPP and Executive employees are expected to report any and all outside work for which the employees are being compensated". Any work that results in reportable income (for which a 1099 or W-2 is issued) must be reported, no matter the time commitment.

11. If an MPP/Executive employee accepts an honorarium for giving a speech or presentation, does it have to be reported as outside employment?

Yes. MPP/Executive employees are required to report all outside work for which they receive compensation. As a reminder, an employee may not accept an honorarium from a reportable source (i.e., a source the employee will be required to disclose on an annual Form 700 Statement of Economic Interest). Cal. Govt. Code §89502.

7.12. Does the supervisor have the ability to tell the employee that the outside employment is a conflict and they cannot do the work?

Yes. The appropriate administrator has the authority to advise the individual that his/her outside employment conflicts with CSU employment, and that the conflict can no longer continue.

If so, can the employee be disciplined or discharged if they do not comply with the policy?

Noncompliance and violations of this policy will be subject to corrective action, consistent with how the CSU addresses any policy violations and will depend on the severity of the conduct.

8.13. Is documentation required to support that the outside employment "interfered with normal work assignments" or affected "satisfactory performance"?

As with any disciplinary action and/or unfavorable performance review, these situations must be documented appropriately and in the same manner. Campus performance evaluation/assessment procedures should support these actions.

9.14. When administrators sign the Disclosure Form that employees submit, are they actually approving the outside employment?

Yes, only if the administrator is reviewing it for Senior Management employees. For MPP employees, the administrator's signature confirms that the administrator has reviewed the employee's outside employment and has determined that no conflict of commitment or conflict of interest exists.

10.15. What happens if the employee refuses to provide the information?

The administrator should acknowledge, sign, and indicate on the disclosure form that the employee refused to sign the form. Further action will be required to evaluate the employee on failure to adhere to a policy requirement.

11.16. What is "too much" outside employment?

"Too much" outside employment is one that interferes with CSU work assignments and employee performance.

26. What is required on the annual report submitted to the Chancellor's Office?

The report shall include the percentage of MPP employees with outside employment at the campus, detailed disclosure of all outside employment details for Senior Management, and any additional information as requested by the Systemwide HR office. Annual reminders will be sent from Systemwide HR detailing the required contents of the report.

27. Will my Outside Disclosure Form be posted on the internet?

The Chancellor's Office Systemwide HR will be responsible for maintaining a public website reporting the outside employment endeavors of Senior Management employees. All forms are public records and subject to production under the California Public Records Act.
