California State University, Dominguez Hills Campus Master Plan Revision (RCPBG 09-19-05)

RESOLVED, by the Board of Trustees of the California State University, that:

1. The Board of Trustees finds that the 2019 Final EIR has been prepared in accordance with the requirements of the California Environmental Quality Act.
2. The Final EIR addresses the proposed Campus Master Plan revision and all discretionary actions related to the project as identified in the Final EIR.
3. The Board of Trustees hereby certifies the Final EIR for the California State University, Dominguez Hills Campus Master Plan dated September 2019.
4. Prior to the certification of the Final EIR, the Board of Trustees reviewed and considered the above Final EIR and found it to reflect the independent judgment of the Board of Trustees. The Board of Trustees hereby certifies the Final EIR as complete and adequate and finds that it addresses all potentially significant environmental impacts of the project and fully complies with the requirements of CEQA. For purposes of CEQA and the State CEQA Guidelines, the administrative record includes the following:
   a. The 2019 Draft EIR for the California State University, Dominguez Hills Campus Master Plan;
   b. The Final EIR, including comments received on the Draft EIR, responses to comments, and revisions to the Draft EIR in response to comments received;
   c. The proceedings before the Board of Trustees relating to the subject Campus Master Plan revision, including testimony and documentary evidence introduced at such proceedings; and
   d. All attachments, documents incorporated, and references made in the documents as specified in items (a) through (c) above.
5. This resolution is adopted pursuant to the requirements of Section 21081 of the Public Resources Code and Section 15091 of the State CEQA Guidelines which require the Board of Trustees to make findings prior to the approval of the project.

6. The Board of Trustees hereby adopts the CEQA Findings of Fact and Mitigation and Monitoring Program, including the mitigation measures identified therein for Agenda Item 2 of the September 24-25, 2019 meeting of Committee on Campus Planning, Buildings and Grounds, which identifies the specific impacts of the proposed Campus Master Plan and related mitigation measures, which are hereby incorporated by reference. The mitigation measures identified in the Mitigation and Monitoring Reporting Program shall be monitored and reported in accordance with the Mitigation and Monitoring Reporting Program which meets the requirements of CEQA.

7. The Board of Trustees hereby adopts the Statement of Overriding Considerations stating that project benefits to the California State University outweigh the remaining significant and unavoidable air quality, greenhouse gas emissions, noise, and traffic impacts.

8. The Final EIR has identified potentially significant impacts that may result from implementation of the proposed Campus Master Plan revisions. However, the Board of Trustees, by adopting the Findings of Fact, finds that the inclusion of certain mitigation measures as a part of the project approval will reduce most, but not all, of these effects to less than significant levels. Those impacts which are not reduced to less than significant levels are identified as significant and unavoidable and are overridden due to specific project benefits to the CSU identified in the Findings of Fact and Statement of Overriding Considerations.

9. The Board of Trustees approves the use of $3.8 million for its fair share of future off-site mitigation. The funds are expected to be provided from future state capital or operation budget funding, the CSU, self-support entities, private developers, and/or other entities.

10. The project will benefit the California State University.

11. The California State University, Dominguez Hills Campus Master Plan Revision dated September 2019, specifically consisting of Increased Student Housing Alternative, is approved.

12. The chancellor or his designee is requested under Delegation of Authority granted by the Board of Trustees to file the Notice of Determination for the Final EIR for the California State University, Dominguez Hills Campus Master Plan.

Prior to the approval of the consent agenda, Lieutenant Governor Kounalakis requested that Item 2, Approval of Various Actions Related to a Hotel Development Project at California State University, Northridge, and Item 3, Approval of Various Actions Related to a New Student Union Project at California State University, Fresno - from the Joint Committees on Finance and Campus Planning, Buildings and Grounds - be removed from the consent agenda for separate discussion.

Lieutenant Governor Kounalakis requested a brief staff report of both items. Elvyra F. San Juan, Assistant Vice Chancellor for Capital Planning, Design, and Construction; and Robert Eaton, Assistant Vice Chancellor for Financing, Treasury and Risk Management, provided a brief overview of Item 2. CSU Northridge President, Dr. Dianne Harrison, noted the concerns raised in Item 2 regarding the project development firm Corvias had been addressed in the project planning, as well as in the committee discussions the previous day. Trustee Sabalius echoed President Harrison’s remarks. Lieutenant Governor Kounalakis added for the record that she shared the concerns raised regarding Corvias and noted there should be oversight of the project to ensure fair treatment of workers in this project. Executive Vice Chancellor and Chief Financial Office Steve Relyea stated that the Northridge campus had been very diligent in reviewing broad key performance indicators of their selected development firm and reaffirmed that the project would be monitored closely.

Following discussion, there was a motion and second to approve Item 2, Approval of Various Actions Related to a Hotel Development Project at California State University, Northridge, from the Joint Committees on Finance and Campus Planning, Buildings and Grounds. Chairman Day called for a vote. The record reflects Lieutenant Governor Kounalakis opposed. There were no abstentions and remaining votes were in favor. The motion passed.

Assistant Vice Chancellor San Juan and Assistant Vice Chancellor Eaton provided a brief overview of Item 3. Fresno State President, Dr. Joe Castro, added that the current student union was built 50 years ago when Fresno State’s student population was less than half the current student population. He noted the new student union would provide critically needed space for various student support services. Lieutenant Governor Kounalakis stated that she was concerned regarding campus fee increases. Trustee Garcia said that Fresno State students voted by referendum and passed the student fee increase to support the new student union project. Trustee Faigin noted the trustees had a past special committee to review category II campus based student fees and added he shared Lieutenant Governor Kounalakis’ concerns.

Following discussion, there was a motion and second to approve Item 3, Approval of Various Actions Related to a New Student Union Project at California State University, Fresno, from the Joint Committees on Finance and Campus Planning, Buildings and Grounds. Chairman Day called for a vote. The record reflects Lieutenant Governor Kounalakis opposed. There were no abstentions and remaining votes were in favor. The motion passed.

The following resolutions were approved.

1. The California State University, Northridge Hotel project is consistent with the Campus Master Plan approved in July 2018.
2. The schematic design is consistent with the Final Initial Study/Mitigated Negative Declaration prepared to address any potential significant environmental impacts and mitigation measures associated with approval of the California State University, Northridge Hotel project and all discretionary actions related thereto.
