

CA Nonresident Packet

STATE OF CALIFORNIA
VENDOR DATA RECORD
STD. 204 (REV. 8-10) (REVERSE)

ARE YOU A RESIDENT OR A NONRESIDENT?

Each corporation, individual/sole proprietor, partnerships, estate or trust doing business with the State of California must indicate their residency status along with their vendor identification number.

A **corporation** will be considered a "resident" if it has a permanent place of business in California. The corporation has a permanent place of business in California if it is organized and existing under the laws of this state or, if a foreign corporation has qualified to transact intrastate business. A corporation that has not qualified to transact intrastate business (e.g., a corporation engaged exclusively in interstate commerce) will be considered as having a permanent place of business in this state only if it maintains a permanent office in this state that is permanently staffed by its employees.

For **individuals/sole proprietors**, the term "resident" includes every individual who is in California for other than a temporary or transitory purpose and any individual domiciled in California who is absent for a temporary or transitory purpose. Generally, an individual who comes to California for a purpose which will extend over a long or indefinite period will be considered a resident. However, an individual who comes to perform a particular contract of short duration will be considered a nonresident.

For withholding purposes, a **partnership** is considered a resident partnership if it has a permanent place of business in California. An **estate** is considered a California estate if the decedent was a California resident at the time of death and a **trust** is considered a California trust if at least one trustee is a California resident.

More information on residency status can be obtained by calling the Franchise Tax Board at the numbers listed below:

From within the United States, call1-800-852-5711
From outside the United States, call1-916-854-6500
From hearing impaired with TDD, call 1-800-822-6568

ARE YOU SUBJECT TO NONRESIDENT WITHHOLDING?

Payments made to nonresident vendors, including corporations, individuals, partnerships, estates and trusts, are subject to income tax withholding. Nonresident vendors performing services in California or receiving rent, lease or royalty payments from property (real or personal) located in California or receiving rent, lease or royalty payments from property (real or personal) located in California will have 7% of their total payments withheld for state income taxes. However, no California tax withholding is required if total payments to the vendor are \$1500 or less for the calendar year.

A nonresident vendor may request that income taxes be withheld at a lower rate or waived by sending a completed form FTB 588 to the address listed below. A waiver will generally be granted when a vendor has a history of filing California returns and making timely estimated payments. If the vendor activity is carried on outside of California or partially outside of California, a waiver or reduced withholding rate may be granted. For more information, contact:

2018 Instructions for Form 587

Nonresident Withholding Allocation Worksheet

References in these instructions are to the California Revenue and Taxation Code (R&TC).

General Information

A Purpose

Use Form 587, Nonresident Withholding Allocation Worksheet, to determine if withholding is required and the amount of California source income subject to withholding.

Withholding is not required if payees are residents or have a permanent place of business in California. Get FTB Pub. 1017, Resident and Nonresident Withholding Guidelines, for more information.

Do not use Form 587 if any of the following apply:

- You sold California real estate. Use Form 593-C, Real Estate Withholding Certificate.
- The payee is a resident of California or is a non-grantor trust that has at least one California resident trustee. Use Form 590, Withholding Exemption Certificate.
- The payee is a corporation, partnership, or limited liability company (LLC) that has a permanent place of business in California or is qualified to do business in California. Foreign (non-U.S.) corporations must be qualified to transact intrastate business. Use Form 590.
- The payment is to an estate and the decedent was a California resident. Use Form 590.
- The payments are subject to backup withholding. For more information, go to ftb.ca.gov and search for **backup withholding**.
- The payments are for wages to employees. Wage withholding is administered by the California Employment Development Department (EDD). For more information, go to edd.ca.gov or call 888.745.3886.

B When to Complete

The withholding agent requests that the nonresident payee completes, signs, and returns Form 587 to the withholding agent when a contract is entered into and before a payment is made to the payee. The withholding agent relies on the certification made by the payee to determine the amount of withholding required if the completed and signed Form 587 is accepted in good faith.

Form 587 remains valid for the duration of the contract (or term of payments), if there is no material change in the facts. By signing Form 587, the payee agrees to promptly notify the withholding agent of any changes in the facts.

The withholding agent retains a copy of Form 587 for a minimum of five years and must provide it to the Franchise Tax Board (FTB) upon request.

C Requirements

California Revenue and Taxation Code (R&TC) Section 18662 and the related regulations requires withholding 7% of income or franchise tax on certain payments made to nonresidents (including individuals, corporations, partnerships, LLCs, estates, and trusts) for income received from California sources unless an approved waiver or reduction is granted. The withholding rate is 7% unless a waiver or reduction is granted by the FTB.

D Income Subject to Withholding

The items of income subject to withholding include, but are not limited to:

- Compensation for services performed in California by nonresidents.
- Rent paid to nonresidents on real or personal property located in California if the rent is paid in the course of the withholding agent's business.
- Royalties from natural resources paid to nonresidents from business activities in California.
- Prizes and winnings received by nonresidents for contests in California.
- Endorsement payments received for services performed in California.
- Other California source income paid to nonresidents.

For more information on income subject to withholding, get FTB Pub. 1017.

E Exceptions to Withholding

Withholding is not required when:

- The payment is for goods.
- The payee is a resident of California, or is an S corporation, a partnership, or an LLC that has a permanent place of business in California. Get Form 590.
- The payee is a corporation that is qualified to do business in California.
- The withholding agent's California source payments to the payee do not exceed \$1,500 for the calendar year.
- The payments are for income from intangible personal property, such as interest and dividends, unless derived in a trade or business or the property has acquired a business situs in California.
- The payments are for services performed outside of California or for rents, royalties, and leases on property located outside of California.
- The payment is to a nonresident corporate director for director services, including attendance at board meetings.
- The payee is a tax-exempt organization under either California or federal law.

- The payee has a completed and signed Form 590-P, Nonresident Withholding Exemption Certificate for Previously Reported Income.
- The income is derived from qualified investment securities of an investment partnership.

F Waivers/Reductions

A nonresident payee may request a waiver from withholding by submitting Form 588, Nonresident Withholding Waiver Request. A nonresident payee may request a reduction in the amount to be withheld by submitting Form 589, Nonresident Reduced Withholding Request. The FTB does not grant reductions or waivers for backup withholding.

G Requirement to File a California Tax Return

A payee's exemption certification on Form 587 does not eliminate the requirement to file a California tax return and pay the tax due.

You may be assessed a penalty if:

- You do not file a California tax return.
- You file your tax return late.
- The amount of withholding does not satisfy your tax liability.

For information on California filing requirements, go to ftb.ca.gov.

Specific Instructions

Definitions – For withholding terms and definitions, go to ftb.ca.gov and search for **withholding terms**.

Private Mail Box (PMB) – Include the PMB in the address field. Write “PMB” first, then the box number. Example: 111 Main Street PMB 123.

Foreign Address – Follow the country’s practice for entering the city, county, province, state, country, and postal code, as applicable, in the appropriate boxes. **Do not** abbreviate the country name.

Part I – Withholding Agent Information

Enter the withholding agent’s business or individual information, not both.

Part II – Nonresident Payee Information

Enter the payee’s business or individual information, not both. Check the appropriate box and enter the Taxpayer Identification Number (TIN).

You must provide a valid TIN as requested on this form. The following are acceptable TINs: social security number (SSN); individual taxpayer identification number (ITIN); federal employer identification number (FEIN); California corporation number (CA Corp no.); or California Secretary of State (CA SOS) file number.

Part III – Payment Type

The nonresident payee must check the box that identifies the type of payment that will be received.

Part IV – Income Allocation

Use Part IV to identify payments that are subject to withholding. Enter payments from both within and outside of California. Only payments sourced within California are subject to withholding. Services performed in California are sourced in California. In the case of payments for services performed when part of the services are performed outside California, enter the amount paid for performing services within California in column (a). Enter the amount paid for performing services while outside California in column (b). Enter the total amount paid for services in column (c).

If the payee’s trade, business, or profession conducted in California is an integral part of a unitary business conducted within and outside California compute the payment amounts on line 1 through 5 by applying the payee’s California apportionment percentage (determined in accordance with the provisions of the Uniform Division of Income for Tax Purposes Act) to the payment amounts. For more information on apportionment, get Schedule R, Apportionment and Allocation of Income.

Withholding Agent

Keep Form 587 for five years for your records. **Do not** send this form to the FTB unless it has been specifically requested.

Withholding, excluding backup withholding, is optional at the discretion of the withholding agent on the first \$1,500 in payments made during the calendar year. Withholding must begin as soon as the total payments of California source income for the calendar year exceed \$1,500. If backup withholding is required, there is no set minimum threshold and it supersedes all types of withholding.

If circumstances change during the year, such as the total payment amounts which would change the amount on line 6, the payee must submit a new Form 587 to the withholding agent reflecting those changes. The withholding agent should evaluate the need for a new Form 587 when a change in facts occurs.

Certification of Nonresident Payee

The payee and/or the authorized representative must complete, sign, date, and return this form to the withholding agent.

Authorized representatives include those persons the payee authorized to act on their behalf through a power of attorney, a third party designee, or other individual taxpayers authorized to view their confidential tax data by a waiver or release.

Electronic signatures shall be considered as valid as the originals.
