

**ACADEMIC SENATE
OF
THE CALIFORNIA STATE UNIVERSITY**

AS-3464-21/EX
January 21-22, 2021

APPORTIONMENT OF ACADEMIC SENATE CSU (ASCSU) SEATS

RESOLVED: That the Academic Senate of the California State University (ASCSU), as required by ASCSU Bylaw 9, approve the results of the Executive Committee's January 2021 campus census of Full-Time Equivalent Faculty (FTEF) from the Fall 2020 data for the purpose of apportionment/reapportionment of Senate seats among the campuses; and be it further

RESOLVED: That the ASCSU approve the distribution of a third seat to the seven campuses with the highest FTEF based on the 2020 data as follows (from highest to lowest): Long Beach, Fullerton, San José, Northridge, San Diego, Sacramento, and San Francisco; and be it further

RESOLVED: That the ASCSU distribute this resolution to the CSU Board of Trustees, CSU Chancellor Joseph I. Castro, CSU Executive Vice Chancellor for Academic and Student Affairs, Loren Blanchard, CSU Assistant Vice Chancellor for International and Off-Campus Programs, Leo Van Cleve, CSU campus Presidents, CSU Provosts/Vice Presidents of Academic Affairs, CSU campus Senate Chairs, CSU campus Senate Executive Committees, CSU Emeritus and Retired Faculty and Staff Association (ERFSA), California Faculty Association (CFA), and the California State Student Association (CSSA).

***RATIONALE:** Article II, Section 1 of the ASCSU Constitution provides that the membership of the ASCSU will consist of "...two senators per campus plus an additional senator from each of the seven largest campuses apportioned on the basis of FTEF." To implement this provision, our Bylaw 9 requires that each year the Executive Committee "...conduct a "census" using the most recent and reliable Fall FTEF data to determine whether reapportionment of seats among campuses is necessary. The results shall be presented to the Senate for approval at its first meeting in the calendar year." Fall 2020 FTEF data by campus is included in Attachment 1. In order from highest to lowest, the seven largest FTEF campuses are Long Beach, Fullerton, San José, Northridge, San Diego, Sacramento, and San Francisco. Those are the same campuses that currently have a third senator, so no re-apportionment is necessary. This resolution approves the results of the 2020 census and re-affirms the assignment of a third senator to those seven campuses with the largest FTEF.*

Approved Unanimously – January 21-22, 2021
