At this meeting, the employee shall discuss their request. An Appropriate Administrator in the Human Resources Office will provide information to the employee, as appropriate, with respect to the requirements of positions contained in the CSU's Classification and Qualification Standards, and to advise the employee as to the likelihood of a suitable position becoming available on campus.

22.27 Upon successful completion of a temporary training assignment, the employee may request, according to procedures applicable at the employee's campus, to be interviewed for announced vacancies whose job content is comparable to the temporary training assignment. ## Continuing Education - Unit 2

- 22.51 Continuing education training shall be training required to obtain or renew a license or certification required by law.

- 22.52 Based on the operational needs of the campus and the requirements of the position, the Appropriate Administrator may approve requests for participation in continuing education activities necessary to maintain licenses or certificates required by the State of California or other licensing agencies.

- 22.59 Non-exempt employees who attend training and education courses required for continuing education credits may be granted reasonable time off without loss of compensation for courses that occur during the employee's normal working hours.
