Using the descriptions below, list details and costs on each component of your budget into the table. Summer research experiences are funded separately from this budget.

- 1. Visits to University of California campuses.
- 2. Visits to other doctoral-granting institutions.
- 3. Attendance at professional meetings, symposia, seminars, colloquia.
- 4. Graduate school applications and/or admission fees (do not include UC campuses) test fees, e.g. GRE.
- Student memberships in professional organizations; subscriptions to professional journals; special software, minor upgrades of computer capacity, research materials, etc. NOTE: Research related expenditures (for example, computer software, computer memory upgrades, laboratory supplies) are limited to a **total** of \$500.
