The Honorable Holly J. Mitchell
Chair
Joint Committee on Legislative Budget

ATTN: Ms. Jennifer Troia

Dear Honorable Chair Mitchell:

As required by Education Code 89720, the 2016-2017 Annual Report of Donor Support for the California State University is available for your review at www.calstate.edu/budget/fybudget/legislative-reports.

This funding helps us make college more affordable by providing students with additional financial aid and enables the university to improve teaching and learning in an environment of continuous change. It does not substitute for core support from the State of California.

Indeed, this year's report represents a critical investment in California's inclusive and dynamic future as we prepare the next generations of engineers, artists, health care workers, teachers, entrepreneurs and scientists. It also sends a key message across California that the CSU is important, worthy of ongoing support and a vital economic engine for our state.

The California State University Board of Trustees approved the report for submission at its meeting on January 30, 2018. Please contact me at (562) 951-4810 with questions you may have.

Sincerely,

Lori A. Redfearn
Assistant Vice Chancellor
