Trustee Farar called the meeting to order and announced that item 3 was being withdrawn from the committee's agenda.

**Public Comment**

Comments were related to staff in-range progressions and the issue of staff not moving through the salary range after years of service; concern about recruiting at lower salary ranges; and good faith bargaining. It was noted that while campus enrollment and programs continue to grow, the same attention is not being invested in staff resources who are dealing with the increased demands. Comment was made about the process for soliciting staff feedback during the presidential review process.

### **Update to Policies and Procedures for Review of Presidents**

Vice Chancellor Evelyn Nazario explained that in November 2019 the trustees updated the Policy on Compensation to include salary assessments as part of the presidential triennial and six-year performance review process. The policy change necessitated an update to the presidential review policy and adds a section that addresses Salary Assessment. Vice Chancellor Nazario read the proposed new language, and the item was approved as submitted.  
(RUF 01-20-01)

Trustee Farar adjourned the committee meeting.
